Auctioneers Note: After having been in the farming business for over 60 years, Richard and Leroy have decided to call it quits. Buyers will be afforded the opportunity to bid on a complete offering of farm and ranch items that will be offered by Gardner Brothers Farms. The equipment is field ready and a majority of the offering has been shedded. Buyers can participate in bidding on-line through HiBid prior to the auction and there will be both live and on-line bidding on sale day. We appreciate a bank letter of credit on purchases that exceed \$10,000. We will save Saturday, March 3rd for a backup date in case of inclement weather. Sale day announcements will take precedence over all announcements either written or implied. Lunch will be available at the sale site. Not responsible for accidents. Terms & conditions will include cash, good check, or credit card. There will be loader on-site for the week following the auction. All sale items must be removed within that time frame unless arrangements are made with the new land owners. **Contact Leroy at 307-245-3343 or Richard at 307-640-1812 for more information or with any questions pertaining to the equipment.**
