

# JAY & BERT HOLEMAN MOVING AUCTION

## Saturday, October 13<sup>th</sup> – Starting @ 9:00 AM

### 4564 – 590<sup>th</sup> RD, Hay Springs NE

**Directions:** When entering Hay Springs from the south, continue through the main intersection & go north past Westco 2 miles on 450 Lane to 590 Road. Turn & go west on 590 Rd. ¼ of a mile to the entrance to the ranch.

**Auctioneers Note:** Jay and Bert have sold the place and will need to down-size before moving. This auction offers everything from the equipment and farm and ranch general to a strong offering of shop and woodworking items. They all have one thing in common, they are clean and well taken care of. Jay was also an avid wood worker and his offering of construction woods is extensive. We appreciate a bank letter of credit on purchases that exceed \$10,000. We will save Saturday, October 20th for a backup date in case of inclement weather. Sale day announcements will take precedence over all announcements either written or implied. Lunch will be available at the sale site. Not responsible for accidents. Terms & conditions will include cash, good check, or credit card. There will be loader on-site for the week following the auction. All sale items must be removed within that time frame unless arrangements are made with the new land owners. For more detailed information, contact Jay @ 308-430-2006
